औद्योगिक शिक्षा औद्योगिक व्यवसाय के लिए सर्वदा लाभदायक है। यह वर्तमान बच्चों को भौतिक ज्ञान से एवे अर्थ से जोडती है। पूर्व की व्यवसायिक व्यवस्था और वर्तमान की व्यवस्था भिन्न है। वर्तमान में इस व्यवस्था को देखते हुए श्री एम. के. महाजन साहब ने अनेक छात्रों के हित को देखते हुए यह शिक्षण संस्थान की स्थापना करके अनेक छात्रों पर अनुग्रह किया। इस कार्य के लिए मैं श्री महाजन साहब की मंगल कामना करता हूँ। यह संस्थान उत्तरोत्तर वृद्धि की ओर अग्रसर हो।

Placement Cell

It is a place where ancient 'Gurukul' traditions permeate the atmosphere. Each faculty member is Institutional Guardian (IG) and provides counselling and guidance. We have 'Lakshaya' of launching our passing out students into the 'Real World' by assisting them to bag suitable placements in blue-chip companies. The Cell performs this add-on responsibility and acts as an inter-face between the institutes and industry. The Placement Cell has ensured that the aspirations of our future managers meet with the expectations of the corporate sector for best performance. We feel pride in stating that many of our students were placed in high-profile positions in good companies at lucrative package up to Rs. 6.00 Lakh.
